

ST ANDREW'S  
INTERNATIONAL SCHOOL

## Secondary School Grades 8-12

*\*Please ensure that everything is labelled with your child's name, including uniform pieces.\**

This is a basic list to get students started at this point in the school year. Students should not bring all their supplies to school on the first day. For example, you may need to buy a packet of pencils, but only bring 2 or 3 to school and keep the rest at home. Students should take a pencil case containing basic supplies to every lesson.

Please see the following page for subject specific supplies.
